

Add GridView from toolbox

ON THE BUTTON VIEW DATA

```
        {
            displaydata();
         }

private void displaydata()
         {

            String ConnString =
System.Configuration.ConfigurationManager.ConnectionStrings["MtnAppConnString"].ToString(
);

            conn = new MySqlConnection(ConnString);

            conn.Open();

            queryStr = "";

            queryStr = "select * from client";

            cmd = new  MySqlCommand(queryStr, conn);

            cmd.ExecuteNonQuery();
            DataTable dt = new DataTable();
            MySqlDataAdapter da = new MySqlDataAdapter(cmd);
            da.Fill(dt);
            GridView1.DataSource = dt;
            GridView1.DataBind();
            conn.Close();
         }
```
